

The Seacoast Poetry & Jazz Festival • April 26-29, 2012

SPONSORSHIP OPPORTUNITIES

The Jazzmouth Poetry & Jazz Festival is a one-of-a-kind, four-day festival celebrating poetry and jazz and the relationship between them. It is an exciting, all-inclusive community festival with events ranging from films to workshops, from musical performances to poetry readings and even both at once! Jazzmouth features young poets and local artists as well as legendary national acts such as David Amram, Ed Sanders, Charles Simic, Andrei Codrescu, Billy Collins, Ray Manzarek, Robert Pinsky, Bob Dorough, Mose Allison and Sheila Jordan.

This year marks the seventh anniversary of Jazzmouth and it is shaping up to be our most exciting yet. While the 2012 lineup is still being finalized, now is a great time to get involved.

Becoming a Jazzmouth sponsor is a great way to let the Seacoast community know that your business supports the arts! Sponsorship provides businesses with constant exposure to an expanding audience keen on appreciating creativity and innovation.
